

Do you own, operate, or sell commercial food service equipment?

ENERGY EFFICIENCY INCENTIVES ARE HERE!

The electric and natural gas utilities of Illinois announce that incentives are available for high efficiency commercial food service equipment!

Food service operations consume up to 2.5 times the energy per square foot as other commercial buildings!*

YOU ARE/YOUR CUSTOMER IS:	AVAILABLE INCENTIVES:
<p>A Public Customer</p> <ul style="list-style-type: none"> • State or local government office or agency • Publicly owned or operated: <ul style="list-style-type: none"> - k-12 school - community college, college, or university - health care facility - other facility 	<p>Available incentives are offered to you/ your customer through the Department of Commerce and Economic Opportunity (Illinois Energy Now).</p> <p>Pre-approval is required to receive incentives through Illinois Energy Now.</p>
<p>A Private Customer</p> <ul style="list-style-type: none"> • Restaurant operator • Grocery and convenience store • Privately owned or operated: <ul style="list-style-type: none"> - k-12 school - community college, college, or university - health care facility - other facility 	<p>Choose your local electric utility:</p> <ul style="list-style-type: none"> - Ameren Illinois - Commonwealth Edison (ComEd) <p>Choose your local natural gas utility:</p> <ul style="list-style-type: none"> - Ameren Illinois - Nicor Gas - North Shore Gas - Peoples Gas

Save 10 to 30 percent off your utility bill without sacrificing service, quality, style, or comfort.*

Other Prescriptive Incentives Available? (e.g., Lighting, HVAC, Water Heating)	Yes	Yes	Yes	Yes	Yes	Yes	Please Contact

Offers are only available to customers of that incentive provider. See the complete incentives listings by visiting program websites. The utilities may offer additional equipment incentives, so please visit their websites for more information. Offers are valid between June 1, 2011 and May 31, 2012. The Illinois utilities' energy efficiency programs listed are multi-year programs funded by rate payers in compliance with state law through a line item charge on utility bills.
