Contact us: Ventilation & Filtration Improvements for Schools

Illinois schools are resuming in-person classes, though COVID-19 cases are rising yet again. Adequate ventilation, filtration, and air cleaning can go a long way to keep people safe.

Contact SEDAC at sedac-info@illinois.edu or 800.214.7954 for quick advice about building upgrades, and refer to our [COVID-19 resources page](#) for a collection of tools, best practices and tips for building safety during COVID-19.

Support to Fill Energy Efficiency Jobs in Peoria

Does your organization have a job opening in energy efficiency that you need help filling or a training program that needs students? SEDAC is partnering with Ameren Illinois and SEEL to pilot an [Energy Efficiency Workforce Initiative](#) to grow the energy efficiency workforce in the Peoria region. We're helping to

connect job seekers to jobs by strengthening relationships among employers, trainers, job seekers, and community organizations. Fill out our engagement form to let us know about your job opening.
